1 or by agreement of the parties thereto, (iii) is the subject of a motion to assume, assume and assign, or
2 reject filed by the Debtors on or before the Confirmation Date, or (iv) is specifically designated as an
3 executory contract or unexpired lease to be rejected under the Plan in the Schedule of Rejected Contracts.

4 4. Attached hereto is a schedule of executory contracts and unexpired leases which the
5 Debtors intend to assume, or assume and assign, pursuant to the Plan (the “**Schedule of Assumed**
6 **Contracts**”, and each agreement listed therein, an “**Agreement**”). **Parties to executory contracts or**
7 **unexpired leases with the Debtors are advised to carefully review the information contained herein**
8 **and the related provisions of the Plan. Please note that a party’s status as a counterparty to an**
9 **executory contract or an unexpired lease alone does not entitle such party to vote on the Plan.**

10 5. Inclusion of an Agreement in the Schedule of Assumed Contracts is not an admission by
11 the Debtors that any of the Agreements listed therein are executory contracts or unexpired leases.
12 Subject to the terms of the Plan, the Debtors reserve the right to assert that any of the Agreements listed
13 in the Schedule of Assumed Contracts are not executory contracts or unexpired leases. As a matter of
14 administrative convenience, in certain instances the Debtors may have listed the original parties to
15 certain of the Agreements listed in the Schedule of Assumed Contracts without taking into account any
16 succession of trustees or any other transfers or assignments from one party to another. The fact that the
17 current parties to any particular Agreements may not be named in the Schedule of Assumed Contracts is
18 not intended to change the treatment of such Agreements. References to any Agreements to be assumed
19 pursuant to the Plan are to the applicable agreement and other operative documents as of the date of this
20 Notice, as they may have been amended, modified, or supplemented from time to time and as may be
21 further amended, modified, or supplemented by the parties thereto between such date and the Effective
22 Date of the Plan. Pursuant to Section 8.1 of the Plan, the exclusion of any executory contract or
23 unexpired lease from the Schedule of Assumed Contracts shall not constitute a rejection of such
24 executory contract or unexpired lease.

25 6. **Cure Amounts.** Section 365(b)(1)(A) of the Bankruptcy Code requires that the Debtors
26 cure or provide adequate assurance that they will promptly cure existing defaults under the Agreements
27 at the time of assumption. The Debtors’ determination of the amounts required to cure any perpetuation
28

defaults under the Agreements (the “**Cure Amounts**”) are set forth in the Schedule of Assumed Contracts. If no Cure Amount is listed for any specific Agreement, the Debtors have determined that no Cure Amount is owed or outstanding with in respect to such Agreement.

7. **Objections. Any objection by a counterparty to an executory contract or unexpired lease to (i) any Cure Amount, (ii) the ability of the Reorganized Debtors or any assignee to provide “adequate assurance of future performance” (within the meaning of section 365 of the Bankruptcy Code) under the executory contract or unexpired lease to be assumed, or (iii) any other matter pertaining to assumption, assumption and assignment, or the Cure Amounts required by section 365(b)(1) of the Bankruptcy Code (each, an “Objection”) must be filed, served, and actually received by the Debtors before the deadline set to file objections to confirmation of the Plan, at 4:00 p.m. (Prevailing Pacific Time) on May 15, 2020 (the “Objection Deadline”). Any Objection must:**

- (a) be in writing;
- (b) identify the applicable Agreement(s);
- (c) set forth in detail the basis for such Objection together with all supporting documentation;
- (d) conform to the Federal Rules of Bankruptcy Procedure; the Bankruptcy Local Rules for the United States District Court for the Northern District of California; and the *Second Amended Order Implementing Certain Notice and Case Management Procedures* dated May 13, 2019 [Docket No. 1996] (the “**Case Management Order**”);
- (e) set forth the name and contact information of the person authorized to resolve such Objection;
- (f) be filed with the Bankruptcy Court prior to the Objection Deadline; and
- (g) be served on (i) the attorneys for the Debtors, Weil, Gotshal & Manges LLP, 767 Fifth Avenue, New York, New York 10153 (Attn: Stephen Karotkin (stephen.karotkin@weil.com), Jessica Liou (jessica.liou@weil.com), Matthew Goren (matthew.goren@weil.com), and Tom Schinckel (tom.schinckel@weil.com)), and Keller Benvenuti Kim LLP, 650 California Street, Suite 1900, San Francisco, California 94108 (Attn: Tobias S. Keller (tkeller@kbbkllp.com) and Jane Kim (jkim@kbbkllp.com)); (ii) the attorneys for the Shareholder Proponents, Jones Day, 555 South Flower Street, Fiftieth Floor, Los Angeles, California 90071-2300 (Attn: Bruce S. Bennett (bbennett@jonesday.com), Joshua M. Mester

(jmester@jonesday.com), and James O. Johnston. (jjohnston@jonesday.com); and
(iii) the Standard Parties as set forth in the in the Case Management Order.

The Debtors encourage counterparties to contact their counsel listed in paragraph 7(g) above prior to filing any Objection.

8. **Any counterparty to an Agreement that fails to timely file and serve an Objection as proscribed herein will be deemed to have assented to such assumption, assumption and assignment, and Cure Amount. Except as otherwise set forth in the Plan or the Confirmation Order, the assumption or assumption and assignment of any executory contract or unexpired lease pursuant to the Plan or otherwise shall result in the full release and satisfaction of any Claims and Causes of Action against any Debtor or defaults by any Debtor arising under any assumed executory contract or unexpired lease at any time before the date that the Debtors assume or assume and assign such executory contract or unexpired lease, whether monetary or nonmonetary, including all Claims arising under sections 503(b)(9) or 546(c) of the Bankruptcy Code, any defaults of provisions restricting the change in control or ownership interest composition, or any other bankruptcy-related defaults. On the Effective Date of the Plan, any proofs of Claim filed with respect to an executory contract or unexpired lease that has been assumed, or assumed and assigned, under the Plan shall be deemed disallowed and expunged, without further notice to or action, order, or approval of the Bankruptcy Court.**

9. Timely filed and served Objections will be heard by the Bankruptcy Court at the Confirmation Hearing or on such later date as counsel can be heard. The Debtors may seek, in their discretion, to have any unresolved Objections adjourned to a date after the Confirmation Hearing.

10. If the Bankruptcy Court makes any determination with respect to any Objection in a manner the Debtors or Reorganized Debtors, in their sole discretion, view to be unfavorable, including but not limited to, a determination that a Cure Amount for any Agreement is greater than the amount set forth in the Schedule of Assumed Contracts, the Debtors or Reorganized Debtors, as applicable, shall have the right to alter the treatment of such Agreement in accordance with Section 8.8(a) of the Plan,

1 including, without limitation, the right to add such Agreement to the Schedule of Rejected Contracts, in
2 which case such Agreement shall be deemed rejected as of the Effective Date of the Plan.

3 **11. Power Purchase, Renewable Energy Power, and Community Choice Aggregation**
4 **Agreements.** Pursuant to Section 8.1(b) of the Plan, as of and subject to the occurrence of the Effective
5 Date of the Plan and the payment of any applicable Cure Amount, all power purchase agreements,
6 renewable energy power purchase agreements, and Community Choice Aggregation servicing
7 agreements of the Debtors shall be deemed assumed pursuant to the Plan.

8 **12. D&O Indemnification Obligations.** Pursuant to Section 8.4 of the Plan, any and all
9 obligations of the Debtors pursuant to their corporate charters, agreements, bylaws, limited liability
10 company agreements, memorandum and articles of association, or other organizational documents
11 (including all Indemnification Obligations) to indemnify current and former officers, directors, agents,
12 or employees with respect to all present and future actions, suits, and proceedings against the Debtors or
13 such officers, directors, agents, or employees based upon any act or omission for or on behalf of the
14 Debtors (collectively, the “**D&O Indemnity Obligations**”) shall remain in full force and effect to the
15 maximum extent permitted by applicable law and shall not be discharged, impaired, or otherwise affected
16 by the Plan. All such D&O Indemnity Obligations shall be deemed and treated as executory contracts
17 that are assumed by the Debtors under the Plan and shall continue as obligations of the Reorganized
18 Debtors. Any Claim based on the Debtors’ obligations in Section 8.4 of the Plan shall not be a Disputed
19 Claim or subject to any objection, in either case, by reason of section 502(e)(1)(B) of the Bankruptcy
20 Code or otherwise.

21 **13. Other Indemnification Obligations.** Except as set forth in Section 8.4 of the Plan with
22 respect to the D&O Indemnity Obligations, the assumption by the Debtors or Reorganized Debtors, as
23 applicable, of all other executory contracts or unexpired leases pursuant to the Plan shall result in the
24 full release and satisfaction of any and all contingent pre-petition indemnification obligations arising
25 under the terms of any such agreements and any proof of Claim premised on a pre-petition contractual
26 indemnification obligation alleged to be owed by the Debtors or Reorganized Debtors shall be deemed
27
28

1 disallowed and discharged on the Effective Date, without further notice to or action, order, or approval
2 of the Bankruptcy Court.

6 which are accrued and unpaid as of the Effective Date of the Plan pursuant to the Employee Benefit
7 Plans shall be made by the Reorganized Debtors on the Effective Date or as soon as practicable
8 thereafter.

9 15. The deemed assumption of the Employee Benefit Plans pursuant to Section 8.5 of the
10 Plan shall result in the full release and satisfaction of any Claims and Causes of Action against any
11 Debtor or defaults by any Debtor arising under any Employee Benefit Plan at any time before the
12 Effective Date of the Plan. Any proofs of Claim filed with respect to an Employee Benefit Plan shall be
13 deemed disallowed and expunged, without further notice to or action, order, or approval of the
14 Bankruptcy Court.

15 16. Notwithstanding anything to the contrary in the Plan, the Reorganized Debtors shall
16 continue and assume the Pacific Gas and Electric Company Retirement Plan (“**Defined Benefit Plan**”)
17 subject to the Employee Retirement Income Securities Act, the Internal Revenue Code, and any other
18 applicable law, including (i) the minimum funding standards in 26 U.S.C. §§ 412, 430, and 29 U.S.C.
19 §§ 1082, 1083 and (ii) premiums under 29 U.S.C. §§ 1306 and 1307. All proofs of claim filed by the
20 Pension Benefit Guaranty Corporation with respect to the Defined Benefit Plan are deemed withdrawn
21 on the Effective Date of the Plan.

22 17. **Collective Bargaining Agreements.** On or prior to the Effective Date of the Plan, and
23 subject to the occurrence of the Effective Date, the Reorganized Debtors shall assume the Collective
24 Bargaining Agreements.

25 18. **Insurance Policies.** Pursuant to Section 8.7 of the Plan, all Insurance Policies (including
26 all D&O Liability Insurance Policies and tail coverage liability insurance), surety bonds, and indemnity
27 agreements entered into in connection with surety bonds to which any Debtor is a party as of the Effective
28

1 Date of the Plan shall be deemed to be and treated as executory contracts and shall be assumed by the
2 applicable Debtors or Reorganized Debtor and shall continue in full force and effect thereafter in
3 accordance with their respective terms.

4 19. **Miscellaneous.** Copies of the Schedule of Rejected Contracts, the Plan and other relevant
5 documents may be obtained free of charge at the Case Website.
